

Finding *Renewal* in the Love of God

Unit 5: Claiming Life in Renewal through Sacrifices of Love

Discussion Questions

After reading 1 John from the New Century Version, spend about 15 minutes discussing these questions:

- Consider Jesus and His mission. How many different ways do you see Him sacrificing for others?
- After you have exhausted your list, go back over each one. What parallel sacrifices might we possibly be called to make as His Life on this earth today?
